**Antique Horse Drawn Wagon.** Previous owners note of ownership has been displayed in our climate-controlled barn. Historic, well-preserved antique spring wagon. According to the previous owner who was a member of the Snow family who founded Brecksville, this wagon was used to pick up school children who lived on Snowville Rd. The wagon was cleaned up and painted for the 1976 Bicentennial parade. It has been stored indoors most of its life. This wagon features wonderful hand-forged iron work, moves/turns easily, is solid, does not wobble and the wooden brakes with hand-forged levers work well. Overall length (including shaft) is 20 feet.
